Community Newsletter

*Now is the time
for all good
homeowners to
come to the aid of
their neighborhood*

It is that time of year, again, when the leaves turn, the air cools, and thoughts turn to.....elections. The covenants and by-laws of our association require that there be an annual election of Board members to one year terms. Typically, the Board has had five members, although this year we only have four. This has made it more difficult to operate, as some of us have had to do double duty or more, and getting sufficient members together to have a quorum at our meetings has proven a challenge at times.

Like any organization, the quality and quantity of the services we provide is limited by the time, money and

commitment we choose to invest. To provide good services, we need competent, dedicated people to serve, or we will have to pay professionals to do the work for us. Your Board has worked hard to rebuild our financial capacity by keeping costs down. That was one of our goals for this year, and we are making great progress.

To keep our fees low and provide the services we expect, we need members to step up and join the Board. The commitment we ask is to attend the Board meetings, which are usually every other month, but can be more frequent if the situation warrants. In addition, you'll be asked to handle certain Board functions,

which could include President, Secretary, Treasurer, Architectural Review, Communications, and/or Landscape and Maintenance.

Included with this newsletter is a Candidate Information Sheet. It is also available on line at our web site, KHOA.org, although that version has not been updated for the current year. (See, we need people to help!). Please complete the form and give it to any Board member **by October 21**. You can do this in person, by fax to 630-578-5182, or by e-mailing a scanned copy to president@khoa.org.

We reported in the March newsletter that your Board had set three major goals for the year:

1. Increase the cash reserves of your association
2. Continue to improve the KHOA web site (KHOA.org) as a communication tool for residents, and
3. Review the effectiveness and cost of the management company and possible alternatives.

In the immortal words of

Board Updates

Hannibal Smith (for those old enough to remember the original "A Team") *"I love it when a plan comes together."* We are happy to report that significant progress has been made on all three goals. We have watched expenses very carefully, and are now being paid by the Town homes for their portion of the shared maintenance when it is incurred, instead of the following year. Through the end of August, we are about

\$5,000 better than budget.

Thanks to the work of good neighbor Tony Mann, the web site postings have been updated, although we need to find a replacement for him, as his new job has severely limited the time he can devote. Finally, we have selected John Morrissey Accountants to handle the accounting, book keeping and tax functions that were done previously by EPI and another accounting firm. Those of you who had dealings with EPI should see a nice improvement in service.

Official Announcement

As noted above, the association will no longer be using EPI as our management company, effective October 9. From that date forward, please use the following resources for issues you may have:

Go Paperless

To make communication both less expensive and more convenient, we'd like to move to all electronic distribution.

Please make sure that we have your current e-mail address, as well as your street address. Send the information to president@khoa.org

Thank You!
